

**Wilberforce and Area Police Volunteer Association (WAPVA)
Annual Report 2006**

The Association had a quiet and yet busy year.

The overall calls were down from last year, but with the amount of accidents in the area, a severe storm and widespread power outages, members were kept busy just the same.

With the storm, power was out for days in some areas which kept members on the move checking on people and places around the area, during this outage members kept a close eye on the people at Maple View as well as local businesses. Additionally, there were a lot of problems with places that had alarm systems with battery's going dead, and WAPVA members spent a good deal of time resetting the systems.

The Annual Roast Beef dinner was a success, down some from last year but overall there was a good turn out. We would like to thank all those that did support the Association.

In June, John Goverde stepped down as President of WAPVA and Vice President Ed Otto took over as John and his wife were moving away later in the year. In September the Monmouth Volunteer Fire Department (WARD 4 – Wilberforce) put on a going away party for the Goverdes. Plaques were presented by the O.P.P., Monmouth Fire Dept, Highlands East Council and the Loop Troupe. John and Gerda would like to thank everyone involved.

Members provided 48-hours of security during the Agricultural Fair in addition to being out at the Martin's Ball Tournament and Dance in Harcourt. A watchful eye was also kept on all the trick or treaters out for Halloween in Wilberforce and Harcourt.

WAPVA is pleased to announce that at the January Meeting Mr. Bill Wingrove was elected as your new President for the Association, congratulations Bill.

With your support and encouragement we look forward to serving you in the next year.
